### What is blood pressure?

Blood pressure is a measurement of the force your blood puts on blood vessel walls as it travels through your body. High blood pressure is one of the most important risk factors for stroke.

**Why does blood pressure matter?** High blood pressure can have many harmful effects which can eventually lead to stroke. For example:

- High blood pressure puts extra stress on blood vessel walls. This can cause the blood vessel to weaken or breakdown, eventually leading to stroke.
- High blood pressure can speed up common forms of heart disease that can lead to stroke.
- High blood pressure can cause blood clots or plaque (cholesterol and other fat-like substances) to break off artery walls and block a brain artery causing a stroke.

**KNOW YOUR NUMBERS**

"Doctors sometimes call high blood pressure the 'silent killer' because sufferers can have high blood pressure and show no warning signs. If untreated, high blood pressure will increase the risk of stroke, heart attack and kidney failure.

**Know your numbers - FREE blood pressure tests done instore for the month of May!**

## Check your water meter

Water rates notices are landing in letter boxes across the Southern Downs from this week and Council is urging residents to check their water meter if they believe there is a discrepancy. CEO Rod Ferguson said that people often question their water rates bill, and the first step before calling Council should be to check the reading on your water meter is close to that on your statement.

"It won't be exactly the same as some days have passed since the meters were read, but it should be proportionally greater," Mr Ferguson said.

Instructions on how to read your water meter are in the water conservation measures pamphlet enclosed with your water rates notice.

It is also recommended that residents perform an overnight leakage test to check for any leakage at pipes and taps.

Instructions for overnight leakage test - If you read your water meter last thing at night and then first thing in the morning you can calculate how much water is being lost through leakage.

For this to be accurate, you must not use any water during the night. Subtract the previous night's reading from the morning reading. This gives the volume of water 'lost' overnight.

If you lose more than one litre per hour, you should check for dripping taps, faulty toilet cisterns or other forms of leakage.

Any more than 10 litres lost per hour is very significant and should definitely be investigated.

If these checks reveal a possible discrepancy in the Water Rates Notice issued to you, residents can contact Council on 07 4661 0300 or 07 4681 5500.

## BAD JOKE OF THE WEEK

A young man was walking through a supermarket to pick up a few things when he noticed an old lady following him around. Thinking nothing of it, he ignored her and continued on. Finally he went to the checkout line, but she got in front of him.

"Pardon me," she said, "I'm sorry if my staring at you has made you feel uncomfortable. It's just that you look just like my son, who I haven't seen in a long time."

"That's a shame," replied the young man, "is there anything I can do for you?"

"Yes," she said, "as I'm leaving, can you say 'Good bye, Mother!' It would make me feel so much better."

"Sure," answered the young man. As the old woman was leaving, he called out, "Good bye, Mother!"

As he stepped up to the checkout counter, he saw that his total was \$127.50. "How can that be?" he asked, "I only purchased a few things!"

"Your mother said that you would pay for her," said the clerk.

## "Anne's Got the Kettle On for Cancer"

There's nothing like a "cuppa" between friends at any time for a chat and catch up, but when the iconic Aussie tradition also serves to raise money to benefit such a vital organisation as the Cancer Council of Australia, it takes on a whole different meaning. Well known Allora identity Anne Lawson has been hosting "cuppas" at her home as part of the Cancer Council of Australia fundraiser, "Australia's Biggest Morning Tea" for the past twelve years. Anne has the "kettle boiling" for another successful event to be hosted at her back yard at 5 Jubb Street from 10 am on Thursday May 26th.

After Anne, her husband Robert and their family dealt with the pain and suffering associated with son Denis' diagnosis with Ewings Sarcoma in 1999, and the subsequent three year battle Denis fought before losing his life, Anne was motivated to do something to support cancer research. She had considered the "Shave for a Cure" fundraiser, before settling on an annual morning tea under the banner of "Australia's Biggest Morning Tea". Anne Lawson's Biggest Morning Tea is now firmly entrenched in Allora's community calendar, and a regular contributor to the charity at the forefront of the battle against

Continued from page 2...

cancerous diseases.

Raised in Allora and attending school here and later marrying, Denis Lawson had much to live for. He was a talented athlete, a karate exponent who was judged third best in the world in his age group in the 1994 World Championships in Japan. His family through the Lawson's annual morning tea, recognize his life cut tragically short, and the organisation that supported him through his illness.

That the Cancer Council of Australia has raised almost \$50 million dollars since they first put the kettle on in 1994, is testament to the fact that when it comes to Australia's Biggest Morning Tea, every cup really does count in the fight against cancer. Australia's Biggest Morning Tea is one of Cancer Council Australia's major fundraising events and the largest, most successful event of its kind in Australia.

During the month of May, more than a million people nationwide will sip their way through morning teas at work, school, home and in the community.

Anne is expecting a similar turn out in the relaxing surrounds of her garden, "we can expect a number between 25 & 50" she suggests confidently.

The morning tea will also feature a multi draw raffle open to all, event raffle where winners must be in attendance and lucky door prizes. Anne & Robert are familiar faces selling tickets in aid of cancer research throughout the community, and encourage everyone to catch up with them at the Allora Foodworks this Saturday or Warwick's Rose City Centre escalator on Wednesday, May 25th, to secure \$2 multi draw tickets. The Biggest Morning Tea multi draw array of prizes has to be seen to be believed, with business houses across the Allora & Warwick districts giving in a tremendous show of support with 55 wonderful prizes to be won.

Avon alone has donated \$500 worth of goods as a prize, while Zarraffas Coffee in Warwick has donated a \$50 voucher, Warwick's Harvey Norman also on board with electrical & bedding items.

Close friends Susan & Jim Quick have donated four immaculately embroidered towel packs, and in a further show of support will be hosting their own "Biggest Morning Tea" in memory of Denis Lawson at their Brisbane home.

Five of the prizes will be drawn among those present at the "Cuppa", tickets on the day also at a very economical \$ 2.

All attending the vital fundraiser that contributes to fund the fight against cancer will be well looked after at Anne's Biggest

Anne Lawson, "cuppa" in hand, surrounded by a tremendous array of prizes all on offer at her "Australia's Biggest Morning Tea" fundraiser in support of the Cancer Council of Australia on May 26th in Allora.

Morning Tea, a family affair with, Robert, daughter Camelle and grandchildren Hayden, Lara, Carissa, & Abigail all involved in the big day.

Entry to Anne Lawson's annual "Australia's Biggest Morning Tea" is only a gold coin donation, and those attending are requested to supply a plate. All proceeds to the Cancer Council of Australia.

Glyn Rees

*Cancer Council supporters are reminded that in addition to Anne's annual Australia's Biggest Morning Tea on 26th May, you are also encouraged to attend the Railway Hotel's Australia's Biggest Morning Tea on 19th May - See advertisement on page 9.*

## LETTERS FROM LES

### THE DEVIL'S THREE CARD TRICK

God and the Devil are spirits, not flesh and blood. They are people in spiritual form. One good, one bad. We cannot draw a picture of a spirit so we improvise in various ways and sometimes in ways that make light of the reality. The devil's three card trick is to convince people that... There is no such thing as the Devil... that God does not exist... and that you are boss of your own life. The three card trick... and many people are fooled into believing these things. People who set apart Christ as Lord in their hearts have a peace that others do not have. The Devil's work is to bring unhappiness into people's lives by separating them from other people. Gossip, lies, half truths. Bossiness, seeking ones own good above that of others. We can be blinded by the Devil to these faults. The Devil loves individualism and fosters competition above co-operation. Teamwork in name only, not in fact. The Devil then works to separate a person from themselves. Depression and despair enter into the picture. Like a cancer the Devil can work away in your life undetected for a long time. Sometimes until it is to late to remedy. All our illnesses are not physical ones as some would think. Many are more spiritually based than physically based. OK, so you believe in God and that there is a Devil. What about "boss of your own life". You make me laugh. Really. Are not all the forces that whirl around you bigger and greater than you? The impact of other people in your life, and of natural events in nature... are you not constantly reacting to these forces? The best we can do is to manage what comes our way. We are in this boat together... and the tide of life threatens to swamp us at times. The answer is "to set apart Christ as Lord in your heart." Give him a go and wait for the results to appear. Good ones will come. Wake up to the Devil. He prowls around like a roaring lion seeking whom he may devour. First recognise the Devil then resist him. He likes to pretend that he is not there.

Les Monaghan

## Birds of a Feather

The Allora Showgrounds will play host to "poultry in motion" this Sunday, when the Southern Downs Poultry Club hosts their 2011 "Young Bird Show".

Poultry Club spokesman Rebecca Gallaway said the annual event was looking to be at least as big as recent years, with over a hundred entries expected in what has evolved into a popular exhibition of fowl & water fowl in the region. The "Young Bird Show" will bring poultry enthusiasts from as far away as Brisbane, northern New South Wales & Kingaroy to compete against many local exhibitors from across the Southern Downs.

The competition will be of a high standard with award winning exhibitors including Warwick's Warren Schelbach having birds on display. "Poultry sections will include soft feather bantam, hard feather bantam, large hard feather, large soft feather, pullet & water fowl" Show Chief Steward Ms Gallaway advised, "with the top award being the 'Bird of the Show'". While those showing the poultry will in the majority of cases be experienced exhibitors, novice poultry breeders and community members with an interest are more than welcome to attend and get an "education", especially with breeds such as Langshans, Silkies, Sussex, Wyandottes, Game, Old English Game & the rare Malays all on display. Water fowl breeds will include Indian Runners, Mallard - natural & white and Pekings.

Exhibitors will have the honour of winning the prestigious John Huey Shield for the "Champion Bird of the Show", the award recognizing the contribution of a long serving Southern Downs Poultry Club Life Member.

Judge for the event is State level official Mr. Ernie Bowles. Birds can be entered for the event on Saturday, and the Showgrounds canteen will operate throughout the Show on Sunday.

The Southern Downs Poultry Club have a busy schedule for the remainder of 2011, including the Col Sackley Memorial Trophy the first weekend in July, followed by the Club's annual auction in September.

For further information contact Show Manager Mr. Keith Young on 4666 3063.

Glyn Rees

## SPORTS CLUB NOTES

Commencing this Saturday, 7th May, the Sports Club is supporting the Year 10's in their fund raising efforts for their trip to Canberra in September. The day will kick off at 9.00a.m. with a 3 ball ambrorse game of golf. This will be followed by a BBQ lunch and then a game of bowls in the afternoon. The cost of the day is \$20 per adult and \$10 per student inclusive. Please come along and support the kids.

If anyone could spare a couple of hours to help with bar duties on Saturday night of 28th May please contact Bill Murdoch.

Sports Club meeting Monday, 9th May at 7.30 p.m.

## RAISE THE SPIRIT

Raise The Spirit is a local chaplaincy motivational project. It is on Thursday, 19th May, 2011, at Warwick West State School Hall, in Pratten Street, Warwick. It will be held from 6.00pm. There will be finger food, a catered dinner and licensed bar. Local entertainment will be provided.

Most important of all, it will have a motivational speaker, Sam Bailey, the first and maybe only quadraplegic farmer who has conquered adversity to live a happy and useful life.

Tickets will be on sale from local churches, school chaplains, Hynes Newsagency, Palmerin Street and at Rose City Shopping Centre on 9th, 10th and 11th May from 9.00am to 12.00am. Cost for the evening is \$25 per person. Tables for ten may be booked by groups or organisations.

For further enquiries call 0408 973 474.

## WIN A BOOK COMPETITION!

The Allora Advertiser is giving you the chance to win a powerful new Australian adventure and thriller book which is bound to be a hit with lovers of "Raiders of the Lost Ark" and Dan Brown.

The book - "The Mayan Priest"

- has been written by Sue Guillou and it takes readers on a huge adventure in modern South America and into the amazing ancient world of the Mayans.

We have 3 copies of the book for you to try and win. You can find out more about "The Mayan Priest" by going to [www.sueguillou.com](http://www.sueguillou.com).

To try and win one of our books, simply answer the following question:

**Q. On which continent did the Mayan civilisation exist?**

**A. S**

Cut out and drop this entry form into the entry box at the Allora Advertiser office. The first 3 correct entries drawn on Friday, 6th May 2011 will win a book. Winners will be notified by phone and published in the paper.

## Sootie's Cat Laws...

### Law No. 8: Law of Cat Obstruction

- A cat must lay on the floor in such a position to obstruct the maximum amount of human foot traffic.

## Mayor responds on retired working dogs

Southern Downs Regional Mayor Ron Bellingham has moved to water down community concerns over registration of retired working dogs on rural properties.

"There has been a fair amount of concern in the community and I'd like to reassure people that this is not the primary focus of the legislation or Council," Cr Bellingham said.

"There is no definition as such of a retired working dog in the state government's changes to the Animal Management (Cats & Dogs) 2008 legislation and in my mind that leaves a lot of leeway in interpretation of when a dog stops working, if ever.

"Some would say that once a working dog, always a working

## Looking Back...

### Allora's Past 50 years ago May 1961 NOTICE OF ELECTION RESULTS

#### Shire of Allora

I, LEX ELLWOOD, hereby notify that at the election for the three members of Division 1, Shire of Allora, on the twenty-ninth day of April, 1961, the voting was as follows:

John Joseph Alexander AGNEW 431 votes  
James William DEACON 537 votes  
John Gaulbert HILTON 330 votes  
Clifford Eric Ormond HOLMES 352 votes  
LEX ELLWOOD, Returning Officer.

### Allora's Past 75 years ago May 1936 New Theatre Owners

The Allora Central Picture Theatre has changed hands and considerable improvements have been carried out.

(The Central Theatre was built by Joseph Sharpe in 1916 and from 1919 it was leased to the Star Picture Company which comprised six local identities including Joe Sharpe, Hubert Deacon and Harry Reppel. Following the deaths of Joe Sharpe in 1919 and Mrs. Grace Sharpe in 1934, the theatre was in the hands of Miss Beryl Sharpe when it was sold to Mr. A. C. Cameron in 1936)

### Allora's Past 100 years ago May 1911 Progress at Goomburra

On Thursday night last, the Rev. S. Baggaley accompanied by Messrs. H. G. Deacon and A. L. H. Cooke (churchwardens) visited Goomburra to discuss with the people there, the practicability of erecting a new church building instead of repairing the old church. Mr. Deacon made a full explanation of the circumstances and a discussion culminated in Mr. J. E. Nussey moving that it is advisable to build a new church at Goomburra instead of making repairs to the old building. Messrs. S. E. Wright and M. Maker spoke in favour of the proposal and the motion was carried unanimously.

### Attempted Train Sabotage

The railways authorities have been advised that an attempt was made to sabotage the train on the Allora branch line yesterday. The Hendon Station Master reported that several large stones had been placed on the line near Kates' Siding. The 1.30 train from Allora, as usual, had the tender in front of the engine, nevertheless Driver Tom Robinson noticed the obstructions, which had they not been seen, were quite large enough to derail the train. The driver deserves credit for his foresight especially when taken into consideration that the tender was placed first. Local police upon investigation discovered that a couple of children had placed a number of stones on the line and have been warned against repeating the offence. Owing to their tender age they apparently did not realize the severe consequences of their actions.

Please visit our web site [www.allora-and-district-historical-society-inc.com](http://www.allora-and-district-historical-society-inc.com)

dog," said Cr Bellingham.

The Mayor went on to state that in his view the legislation's primary goal for dog registration was not focused on retired working dogs, but on protecting pets in populated and rural areas, while continuing the fight to help eliminate nuisance dogs.

"That's what our officers are charged with, not pestering working animals in old age."

Working dogs are exempt from registration under new regulations introduced in the *Animal Management (Cats & Dogs) Act 2008* by the State Government in December 2010.

## Warwick VIC to report to local tourism organisation

The Warwick Visitor Information Centre (VIC) will now be managed by the local tourism organisation (LTO) Warwick Tourism & Events (WTE) under CEO Tracy Vellacott.

The handover, set to happen by end August this year, was passed in Southern Downs Regional Council's April General Meeting on Wednesday 27 April, after a report by the Tourism Transition Group at the previous week's Community Services committee meeting.

Previously the VIC was managed by the regional tourism organisation (RTO), the Southern Downs & Granite Belt Tourism Association (SDGBTA).

The VIC will remain in its current location, with WTE and SDGBTA exchanging offices.

"This change has been driven by Council and its desire to manage tourism expenditure," said WTE chair, Greg Newey.

"We see the VIC as a very effectively run organisation with great staff and volunteers," Mr Newey said.

"We have no intention of making any changes, and will look to provide a supportive role, whilst concentrating on our existing charter as an event organising group."

"We think it will be useful to have a more direct link between WTE and the VIC."

Chair of SDGBTA, Margaret Cairn, said it was a good move for all concerned.

"The Warwick VIC is specifically for Warwick operators and people visiting Warwick so it makes sense for that to be managed by the local tourism body instead of a region wide body."

Chairman of the Tourism Transition Group Cr Vic Pennisi said he was happy to see the progress being made, and the positive way that all stake holders have approached the process.

"Given the complexities of tourism I see this transition as a positive step forward in achieving Council's preferred model," Cr Pennisi said.

"Whilst Council is focussed on the direction it wishes to take, it acknowledges that without the goodwill of the stakeholders involved, the task would be less than enviable."

### Correctly position your sat-nav or risk fines

The state's peak motoring body is warning motorists to ensure their satellite navigation device is properly positioned before heading out on the roads, or risk being fined. RACQ Technical Researcher Russell Manning said it was against the law to position sat-nav devices in places that obstructed driver vision.

"The most common type of sat-nav at the moment is the 'hang on' aftermarket device, many of which attach to the windscreen with a suction cup," he said.

"It's amazing how many people stick them in the centre of the windscreen, with no thought given to the effect they have on the driver's view of the road and potential traffic hazards.

"If you're fitting a sat-nav unit to the windscreen, it shouldn't be placed directly in front of the driver, but instead should be placed at the lower right corner of the windscreen to minimise driver obstruction."

Queensland regulations state that these items must not be mounted in such a way as to block a driver's vision of the road. Mr Manning said police could fine motorists for having sat-nav units that obstructed the driver's field of view.

"It's also important to ensure the sat-nav units are not in places where they may cause injury in a crash. This includes potential head strike zones or on the windscreen or other places where a deploying airbag may contact them.

"Avoid placing it on the left side of the windscreen if a passenger airbag is fitted, as the screen is usually used to deflect the deploying airbag into its correct position," he said.

Mr Manning said motorists should be aware of the dangers of using the device while on the road.

"It's just like a mobile phone. Police can also book drivers caught making changes to system guidance while driving."

For more information on satellite navigation and other motoring factsheets visit [racq.com.au/motoring/cars/car\\_advice/car\\_fact\\_sheets](http://racq.com.au/motoring/cars/car_advice/car_fact_sheets)

### Haig Avenue closed to general traffic

Southern Downs Regional Council advises that Haig Avenue, Warwick, which provides access to the underground car park for Rose City Shopping Centre off Fitzroy Street, has been closed to general public access due to stability concerns about a nearby building.

Community members reported possible movement in the sandstone wall of the property at 84 Fitzroy Street on 21st April, with Council immediately closing the Avenue pending an engineering inspection.

An independent engineering report has since certified that the wall is sufficiently stable to allow for "very infrequent" single vehicle truck deliveries to the Shopping Centre to continue for the next two weeks.

A further investigation of the structural integrity of the wall will continue, with a view to installing a stabilising structure.

Haig Avenue is closed to general public access until further notice.

### Bundaberg Retain Division League Title

Bundaberg dominated the 2011 Holcim 47th Battalion Trophy Championships on their home turf at Salter Oval over the past weekend, emerging as undefeated Champions and retaining the title won last year.

In the second year of the 47th Battalion Trophy Championships, district teams from across the Central Division, formed in late 2009, gathered to battle for Divisional supremacy, and for selection in the Central Division side to contest the QRL State Open Championships on the Gold Coast in June.

The Toowoomba Clydesdales side, that included Wattles utility player Luke Baker, showed they were a force to be reckoned with on the first day of competition accounting for Gladstone 28 - 6, and Burnett 24 - 16. The Clydesdales finished Day 1 ahead in their group, which included Sunshine Coast, Burnett & Gladstone; while Bundaberg emerged leading group 1 ahead of Rockhampton, Central Highlands and Border League.

The Toowoomba combination buckled on Sunday morning to Sunshine Coast 12 - 16, but had done enough to snatch a semi-final start against the host centre. The tough encounter against Sunshine Coast took its toll on the Clydesdales, and they struggled to gain a foothold against a Bundaberg side that improved as the carnival progressed. Coming into the semi-final Bundaberg were on a high with victories over Central Highlands (38 - 18), Rockhampton (36 - 10) and Border Bushrangers (62 - 0). They continued their title charge

overwhelming Toowoomba 50 - 12, before a very dominating 58 - 8 win in the Grand Final over Rockhampton. The Toowoomba side also included former Wattles and Mackay Cutters Queensland Cup forward Brendan Crouch, while former long serving Wattles trainer/first aid officer Pat Johnson was also in the Toowoomba support squad. Former NRL 94 match veteran Darren Burns was a familiar face in the Burnett line-up. Toowoomba were Grand Finalists against Bundaberg last year losing 14 - 22, but with the 47th Battalion Trophy scheduled for the "Sugar City" again in 2012, the Clydesdales will have another opportunity to go one better. The 2011 47th battalion trophy Carnival also boasted a women's rugby league component, with teams from Bribie Island, Bundaberg, Central Highlands and Sunshine Coast battling it out to win the first Women's Central Division Championship, eventually won by Central Highlands. A woman's Central Division side was selected to contest the QRL State Women's Championships at the Sunshine Coast this coming weekend.

Glyn Rees

Wattles forward Luke Baker was a member of the Toowoomba "Clydesdales" side that competed in the Central Division "47th Battalion Trophy" Championships at Bundaberg's Salter Oval last weekend.

Brothers, and should Neilson be missing, Riddiford will forage through possible starters including Xavier Manley, Scott Murdock, sharp thinking hooker Liam Ross and 18 year old in form reserve grade half Mark Duggan. Wattles halves, whoever gets the guernseys, will have to have their mind on the job opposing classy former Dalby number seven Marc Potter and 209 game NRL veteran and International Jason Smith in the butcher's stripes.

Sunday's reserve grade clash with Brothers will be the first for Wattles new reserve grade Coach Robbie McIntosh, recently appointed after the departure of Tony Francisco. Wattles Railway Hotel, Allora "Reggies" are on the money to bust into the top five over the next couple of weeks, with McIntosh confident he has the formula to keep the side focused.

Wattles FoodWorks under 18's arsenal has strengthened with the addition of representative front-rower Carl Gale on a permanent basis, joining fellow rep. bookend Lee Lousick. With Gale's Clydesdales commitments complete, he can focus on Wattles challenges for the remainder of the season. Matches on Sunday at Glenholme Park kick-off at 11.30am (Under 18), 1.00pm (Reserve Grade) and First Grade at 2.30pm.

Glyn Rees

### Wattles Ready to Rumble for Danny's Trophy

The Wattles Warriors National Farmer's Warehouse first grade side will run on to Glenholme Park this Sunday matching up against premiership high flyers Brothers in Toowoomba Rugby League Round 8 fixtures. Wattles have had success gathering silverware this season, earning the prestigious Barrett Family Shield, the prize for Southern Downs pre-season supremacy when they finished ahead of traditional rivals Warwick 26 - 12 in February, and then claimed the Ragh Trophy after Southern Suburbs six year dominance of the award, winning 30 - 26. This Sunday they would like nothing more than to add the Danny Ryan Memorial Trophy to their cabinet for the very first time, but to do so they will need to get the better of Brothers on the Leprechauns emerald turf.

After a three week spell, the Warriors should be on top of niggling injuries, and Coach Ken Riddiford will be looking for a consistent defensive effort to shut down Brothers attack. Wattles have defended gallantly in recent weeks, but success will hinge on that defence holding for a full eighty minutes.

Wattles task becomes a little more complex with the loss of classy experienced back Tim Hentschel, relocating overseas. Another concern for the "Green & Gold" camp will be the possibility that utility player Dean Cubby, a brothers player in 2010, and clever halfback Jeff Neilson will be unavailable. The loss of a play maker of Neilson's ability will be a significant speed bump for Wattles, but not insurmountable. Big forward and A Grade bench man Lindon Langton has exited the Wattles den in recent weeks, leaving the district for family reasons.

The halfback position will be vital to Wattles chances of rolling

**"Panther" Trav Crack's An NRL Century**

Former Wattles rugby league player Travis Burns reached a career milestone last Sunday when he laced his boots to run on to play in his 100th National Rugby League match. The Penrith Panthers five-eight, who is enjoying a purple patch of form currently despite his club's wayward season, has been somewhat of a journeyman on his way to reaching his NRL century.

After debuting as a 17 year old in A Grade for Wattles against the Warwick Cowboys at Father Ranger Oval in August 2001, Burns headed for Brisbane for the 2002 season with Eastern Suburbs Tigers. The Tigers being a feeder club for the Cronulla Sharks, the talented back got the call to go to Sydney the following year. He spent two seasons with the Sharks, a highlight being an appearance in the 2004 NSWRL Jersey Flegg (Under 20) Grand Final. His Cronulla side was devastated when opposition five-eight Jamie Soward kicked a field goal in extra time for the Sydney City Roosters to win the match 14 - 13. Soward went on to be part of St. George-Illawarra's NRL Grand Final winning side last year.

Burns impressed Manly Sea-Eagles Coach Des Hasler and spent three seasons from 2005 with the northern beach club, debuting in the NRL in his initial season with Manly against Penrith on July 9th, before going on to play in forty first grade

games with the club. Injury and some suspensions interfered with Burns' two year stint with the North Queensland Cowboys, where he turned out in 32 matches, before heading back south to link with Penrith for the start of the 2010 season. His appearance in last weekend's 18 - 26 loss to the New Zealand Warriors was his 28th match in a Panthers jersey, and 100th in the NRL.

The Texas born Burn's did not reach his landmark achievement on Australian soil however, running on instead to Auckland's Mt. Smart Stadium, where team mate and Penrith fullback Michael Gordon also racked up 100 NRL games. Premiership success still eludes Travis Burns at the game's elite levels, last celebrating finishing as a member of a season Champion side, with the Inglewood/Millmerran Under 13's of 1997. The former Darling Downs Schoolboys under 11 Captain played his junior rugby league with Inglewood/Texas and Inglewood/Millmerran when the two clubs combined, before lining up with Wattles juniors as a 13 year old. He was an outstanding representative footballer, with both the Warwick & District JRL and the South West "Mustangs" junior sides. He went on the play 31 games in Wattles senior grades (Under 17 & 18) in the 2000/01 seasons, winning the Vince Birmingham Memorial Trophy as Wattles Best & Fairest Under 18 in 2001, also gaining selection in the Toowoomba Clydesdales and

South West Division Mustangs Under 17 teams that year. Wattles supporters along with the Texas rugby league fraternity were hopping for a Panthers win on Sunday to celebrate the century of matches, Travis also joining the ranks of Shane Webcke and Kirk Reynoldson as former Wattles players to go on and play 100 NRL matches.

Glyn Rees

**Bowls Club Notes**

This Saturday, 7th May there is a golf/bowls day as per Sports Club notes. All bowlers, members and

social bowlers, please come along on Saturday for a social game, and give these kids a hand with the game we enjoy. The game of bowls will commence about 1.30pm so could you please have your names in to Liz by 12.45pm so that the teams can be sorted. Don't hesitate to take to the golf course for the morning play if you so wish.

Mens competition - triples, pairs and singles - will commence mid July, so if anyone wishes to forward their names please do so. Nomination forms will be on the notice board at the club. It will be club selected triples and pairs.

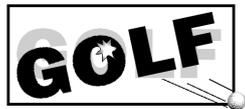

The Sports Club has some functions booked that will require bar staff. If you can assist please contact Bill Murdoch. Bowls meeting - Monday 9th May commencing 6.30 p.m.

## Ladies Indoor Netball -

Last week's winners were: All Saints, Mojos and NJam. There has been a change to this week's draw with the 6.30pm and 8.30pm games being swapped around.

The draw for this week is: 6.30pm - All Saints v. NJam (Anne); 7.30pm - Pink Panthers v. Chikerboom (Anne); 8.30pm - Tiggers v. Allsorts (Pink Panthers); Bye - Mojos.

Thanks again to all our umpires.

### Allora Golf Notes 1-5-11

Last Sunday we had 14 players compete for the Railway Hotel Monthly Mug. The winner with a nett

score of 55 was Jim Muir. The runner up with a 60 was Kel Strange.

Pin shots went to Kel Strange on the 3rd & 13th, Adam May the 12th. On the 7th it was Jim Muir and the 16th Adam May. Congratulations to Elizabeth Muir who beat all the boys to be closest on the 4th hole.

This month there will be a change for the Monthly Medal due to the Zone 3 carnival being held on 15th May at Goombungee. The monthly medal will now be held the following week 22nd May.

Thanks again goes out to the guys maintaining the course – well done.

## Match reports for Round 3, 30.4.2011, Wattles V Suburbs

**Flynn Electrical U7's:** The boys put in another great effort against Suburbs on Saturday, after getting off to a slow start. Ruben Sullivan, Darcy Minninkin, Lachlan Peardon and Liam Ruhle all made some great try- saving tackles. Backing-up was a highlight of the game this week, and the boys were able to string together 12 passes before the tackle was completed in one play. Liam Ruhle, Michael Shingles, Andrew Willet, Ruben Sullivan and Lane Eastwell all scored tries this week, with Liam kicking one goal. Jed Esson, Lachlan Quirk and William Ranger were all on hand to assist in plenty of tackles.

Clifton Foodworks Award: Liam Ruhle.

Red Rooster Award: Ruben Sullivan.

**Wattlebrae Stud U8's:** A great game by U8's this week with the team getting better and better as the game progressed. Great defensive work shown by Jon Nolan complimented the blistering speed of Mikey Duncan and Jacob Meddleton. Strong running from Jackson Pogany, Ben Willet and Thomas Darcy was another feature of this game. Lachy Meacle showed his worth as a classy dummy half scooting over in the second half for a try. This week Ryley Lever was used to great effect as an impact player in the second half. Sam Scott, Harry McMahon and Elija Hall once again put some much needed steel into the U8's. Tries were scored by Jacob Meddleton (2), Lachlan Meacle, Michael Duncan and Jackson Pogany (2), with one goal each to Jacob, Michael and Jackson.

Clifton Foodworks Award: Jon Nolan

Red Rooster Award: Jacob Meddleton

**Superior Silage U10's:** The U 10's proved to be a formidable opponent for the Hornets this week, running in 4 converted tries to take the 2 points with a 24-12 win in Warwick. Will Flynn had a great game in both attack and defence, earning himself the Clifton Foodworks Award, and Ty Norris received the Red Rooster Award for running the ball up with great determination. The team showed some great ball skill, with plenty (for the most part) of controlled passing, and everyone shared the load in defence. Matt Christensen showed twice how to run straight and hard from 20 metres out and was rewarded with tries on both occasions. Tries were scored by Tyler Gillam, Matthew Christensen and Nathan Gibson, converted by Regan Eastwell, Tyler Gillam, Juston Free and Matthew Christensen.

**Clifton Auto Ag Repairs U11's:** Wattles U11's certainly showed Suburbs a very clean pair of heels this weekend in a

game which saw the Warriors run in 14 tries and work very well defensively to keep the young Hornets scoreless. Nick Brown and Lachlan Henry worked good in the halves, and Darcy Brady, Lachlan, Brad Newman and Dylan Hounslow-Cullen demonstrated some brilliant broken field play, all scoring tries for their efforts. Some good support play was shown by the team with the forwards working very well making good ground for the backs, and this is an area the coach feels can be improved on further in the weeks to come, making the U11 Warriors a force to be reckoned with. Try scorers for the U11's were: Dylan H-C (4), Darcy Brady (2), Hayden Smith, Lachlan Henry (2), Nick Brown, Chris O'Neill (2), Bradley Newman and Jacob Blades, with conversions by Dylan, Darcy, Lachlan, Nick, Mitch Potter, Jacob Willet and Chris. Full time score 78-0. Best tacklers: Jacob Blades, Nick Brown and Chris O'Neill.

Clifton Foodworks Award: Chris O'Neill

Red Rooster Award: Mitch Potter.

**Superior Silage U13's:** Wattles were defeated 20-18 by Suburbs in this tightly contested match. The side showed that when they control the ball and complete their sets they can score points, but they will need to work harder in defence if they are to be a force this year. James Moore played well at prop taking the hard runs up the middle and was strong in defence. Paul Christensen and Robert Bradfield did some good work down the edge of the field, while Joe Willet did some great defensive work, scoring a try by diving over from Dummy half. Matt Timbs ran strongly and was rewarded three tries. Paul Christensen kicked one goal to round out Wattles score. Liam Duncan showed skill in his first game back this year. The team is still adjusting to international rules and playing a different style of game, and tighter discipline and improved defence will only strengthen their game. Best players this week: James Moore, Paul Christensen and Robert Bradfield.

Allora Foodworks Award: James Moore.

**Clifton Real Estate U14's:** In a see-sawing, entertaining game of football, the U14 Wattles succumbed to a 24-32 defeat against the Suburbs Hornets. Dalton Nielsen was very strong in both defence and attack. Max Somes ran strongly and was always hard to stop. Lack of effort and concentration at key times was the difference between winning and losing in this match. Once again the team relied on the support of the U13 players who stepped up to boost their numbers, with Matt Timbs performing very well in the older age group, scoring his fourth try of the day for the U14's. Joe Morris, Matt Timbs and Max Somes (2) were try scorers for the U14's, with Will Bashford kicking four from four goals.

Allora Foodworks Award: Dalton Neilsen

**Carlowie Park U16's:** The U16's were unlucky not to come away from this match with a few more points on the board, after trying gallantly against the Suburbs Hornets. A few unsuccessful tries in the first half saw the Warriors working hard in defence to keep the Hornets at bay- Nick Pails led the tackle count at 19, with Nick Morris, Tim Sharpe, Justin Newman, Thomas Henry and Jimmy Willet all achieving double-figures in tackling. First points on the board came from a great try by Dale McAntee after a change in direction from play of the ball by Thomas Henry. The Warriors looked set to make a comeback in the second half of the game when Brodie Frizzell caught an intercept to run in his first try under the posts, and Dale McAntee stepped up and showed signs of his old form. The team showed promise in their ability to regain the ball from the kick-off, and some solid goal-line defence at times. Ben Comerford took a great high ball from a Suburbs bomb, and Justin Newman's "never say die" determination and great cover defence is inspirational. Matt Willet played well until he was injured, and we wish him a speedy recovery. The full time score of 16-36 shows that there is still room for improvement in defence and enthusiasm, and all players need to dig deep and stay in the game and they will reap the rewards.

Foodworks Awards this week go to: Nick Pails, Carl Christensen, Jim Willett and Nick Morris.

Red Rooster Award: Brodie Frizzell.
